

why choose
**MIDLANDS
EMERGENCY
PHYSICIANS?**

Midlands Emergency Physicians is a single hospital, democratic group of emergency medicine physicians. We practice at Tuomey Healthcare System, one of the larger hospitals in the state and consistently accredited with high marks by the Joint Commission. The SCHA has designated eight Tuomey nurses Palmetto Gold winners in the past few years, and Press Ganey has honored us with a national Compass honor for Most Improved E.R. Midlands Emergency Physicians has 24-hour C/T and U/S coverage and views radiographs on PACS. We practice bedside emergency ultrasound screening and have video laryngoscopy available. MIDLANDS EMERGENCY PHYSICIANS

SEEKING BOARD-CERTIFIED & BOARD-ELIGIBLE PHYSICIANS

Our practice is located in Sumter, a medium-sized community in the heart of South Carolina with lots of small-city charm. It's an outdoorsman's paradise, and just a short drive away are mountains to the north, ocean to the east, historic Charleston to the south and hundreds of thousands of acres of state parks, rivers and lakes in between.

Tuomey Regional Medical Center is a private, not-for-profit, 301-bed JCAHO-accredited hospital with an active medical staff of more than 150 physicians representing 25 medical specialties.

MIDLANDS EMERGENCY PHYSICIANS is seeking additional staff due to increased practice coverage. We are a single-hospital, democratic group of emergency medicine physicians currently seeing about 54,000 visits per year and are staffing 48 hours of physician coverage daily with 48 hours per day of mid-level coverage. We have a moderate to high patient acuity, seeing mostly medical emergencies and a small amount of major trauma.

WE OFFER A COMPETITIVE PACKAGE THAT INCLUDES:

- \$120-\$175/hour salary rate, RVU-based
- Fully funded pension plan (SEP/IRA)
- Reasonably priced group health insurance plan
- Generous CME stipends
- Paid malpractice coverage (occurrence policy \$25,000 per year)
- Flexible scheduling with immediate parity in shifts and weekends.

WE ARE MIDLANDS EMERGENCY PHYSICIANS

SCOT DILTS, MD, FACEP

Attended the Medical College of Ohio in Toledo and completed the St Vincent Emergency Medicine residency program there in 1997. Has worked in the Emergency Department at Tuomey Healthcare System for 12 years, 11 of them as its Medical Director, and is co-founder and president of the Midlands Emergency Physicians group. He is married with three children and enjoys outdoor activities and water sports with his family.

ELLYN MESHEL, MD

A New York native, she attended Chicago Medical School and completed an Internal Medicine residency at Evanston Hospital in Illinois in 1993. She is double-boarded with BCEM and ABIM. She is chairwoman of the national Assoc. of Emergency Physicians. She is married and enjoys her animals, boating, scuba diving and maintaining a tree farm.

BEN EASTON, MD

Attended medical school at the University of South Carolina and completed his residency in Emergency Medicine at Scott & White Hospital, Temple, Texas. He is board-eligible, is married and has two children. Outside of work, he enjoys spending time with his family, movies and travel.

ERIC WERNSMAN, DO

Completed Eureka College in Illinois and attended the Kirksville College of Osteopathic Medicine in Missouri. Interned in Florida and completed his residency at Midwestern University in Chicago. Worked at a Level II trauma center in Illinois for eight years and was chairman of the E.D. He is board-certified, married with three sons and enjoys his family, golf and travel.

GARRETT CLANTON, MD, FACEP, FAAEM.

Attended the Univ. of Illinois College of Medicine and completed residency in Emergency Medicine at St Francis Medical Center. He's a founding partner of MEP and the assistant medical director. He has special interests in EMS, tactical medicine and airway/trauma care and is a sworn law officer. He is married with one child, and enjoys skiing, scuba diving and travel.

LUIS MUNIZ, MD

Received his undergraduate degree from the University of Puerto Rico in 1976 and his medical degree from the UPR's School of Medicine in 1980. He is board-certified in Emergency Medicine and is a co-founder of MEP. He is married with three children and enjoys sailing. He prefers the night shift.

TRACEY FLEMMING, MD

Received her degree in medicine from Eastern Tennessee State University in 1994 and completed her Emergency Medicine residency in Toledo, Ohio, in 1999. She is board-certified, is married and has two children.

AARON GARRETT, DO

Born and raised in Ithaca, New York. He completed his undergraduate work at Marietta College in Marietta, Ohio, and medical school at Ohio University in Athens. He is board-eligible and in his off hours enjoys travel, running, playing the guitar and scuba diving.
