

You're Home!

Come work at one of the largest and finest healthcare systems in the state of South Carolina. At Tuomey, the ongoing focus is on making investments -- in our people, our software, our technology and our patients.

WHO WE ARE

- + 301-bed, 418,000-square-foot medical center
- + More than 150 board-certified or board-eligible physicians represent 25+ medical specialties
- + Accreditation with High Marks from The Joint Commission for nearly two decades
- + Outpatient Surgery Center ranked at the 95th percentile in satisfaction ratings nationwide
- + First hospital in SC to receive the quality distinction ISO 9001:2000 Certification
- + Ranked one of 2007 Best Places to Work by S.C. Chamber of Commerce

WHERE WE ARE

- + Located between mountains and coast; just a short drive to Hilton Head and historic Charleston
- + Water-lover's and hiker's paradise
- + Play golf year-round -- 461 golf courses in the state; a dozen within a 30-minute drive
- + Palmetto Tennis Center boasts 24 courts, tennis pros and several major tournaments
- + Public, private and parochial school choices
- + Music, dance, theater and an impressive community arts focus

We are actively seeking board-eligible, board-certified candidates for

Pulmonary Medicine / Critical Care

- Join busy, well-established multi-specialty group
- Practice includes bronchoscopy, thoracentesis, ICU care and vent management
- Benefits include medical malpractice, group health insurance, life insurance, CME allowance
- Pension and profit-sharing available
- One- to two-year partnership track
- Relocation assistance and sign-on bonus

If you are a talented candidate with a desire to pursue this opportunity,
